

SERVANE MOUZAN

CONSCIOUS INNOVATION

***You Help us Imagine & Find the
Courage to Turn Ideas into Action!***

Servane Mouazan is more than just an expert explorer in social innovation and entrepreneurship. She helps Impact Leaders and Investors navigate transitions and adapt to changing times, by turning insights into positive, and impactful action.

For the past 23 years, she has been a tireless advocate, an ecosystem builder, and an award-winning enabler for leaders and organisations that make a positive and compassionate change in the world.

Past clients have praised her for her consistent focus, her infectious commitment, and her ability to connect with audiences through empathy, independent thinking, and foresight

WHAT PEOPLE SAY

"I am always amazed at Servane's energy, creativity and enthusiasm. She is making a huge difference in the world by empowering others to make changes on a scale that's right for them. She provides them with the tools, access to others and the self-confidence to nudge things forward or take massive leaps!"

~J. Swift, Chair of BT's Executive Women's Network

"Servane led an inspiring online session on how to prepare for investment with women entrepreneurs and professionals in the Mentoring Women in Business programme from around the world. She is a talented, inspiring speaker whose energy comes right through the screen. Her session and briefing on social entrepreneurship and investing were tremendously useful for our programme participants."

~ CEO Cherie Blair Foundation for Women
