

SERVANE MOUZAN

CONSCIOUS INNOVATION

**You Help us Imagine & Activate
Positive Strategic Futures!**

Servane Mouazan is more than just an expert in social innovation and entrepreneurship. For the past 24 years, she has been a tireless advocate, ecosystem builder and an award-winning enabler for leaders and organisations that want to generate positive and compassionate change.

She is passionate about investing in and fostering a positive social impact, transforming people and places through inclusive partnerships, independent thinking, and anticipation. Past audiences have praised her for her consistent focus, infectious commitment, and ability to connect with people through empathy and imaginative thinking.

WHAT PEOPLE SAY

"I am always amazed at Servane's energy, creativity and enthusiasm. She is making a huge difference in the world by empowering others to make changes on a scale that's right for them. She provides them with the tools, access to others and the self-confidence to nudge things forward or take massive leaps!"

~J. Swift, Chair of BT's Executive Women's Network

"Servane was great at putting us at ease. She made me feel this was a safe space to try and explore these new ideas without fear of failure. The poetry she brought into the course brought calmness and stillness but also opened up horizons and possibilities, making me feel like my thinking could go deeper and further than before."

~S.A. Senior Director-Legal Dept GFH Financial Group
