

SERVANE MOUZAN

CONSCIOUS INNOVATION

*You Help us Imagine & Activate
Positive Strategic Futures!*

Servane Mouazan is fascinated by social change and entrepreneurship.

For the past 27 years, she has been a tireless advocate, ecosystem builder and an award-winning enabler for 12,000 leaders (mainly women) and organisations that want to generate positive and compassionate change.

She loves engaging audiences on their social impact, helping transform people and places through inclusive partnerships, independent thinking, dialogue and anticipation.

People enjoy her consistent focus, infectious commitment, and ability to connect with people through empathy, warmth, but also poetic and imaginative thinking.

WHAT PEOPLE SAY

"I am always amazed at Servane's energy, creativity and enthusiasm. She is making a huge difference in the world by empowering others to make changes on a scale that's right for them"

~J. Swift, Chair of BT's Executive Women's Network

"Servane was great at putting us at ease. She made me feel this was a safe space to try and explore these new ideas without fear of failure. The poetry she brought in brought calmness and stillness but also opened up horizons and possibilities, making me feel like my thinking could go deeper and further than before."

~S.A. Senior Director-Legal Dept GFH Financial Group
